Outcome of polls held at the SGM on 14 October 2021**

**Notes**

- All resolutions were dealt with as polls (via an online vote on Zoom), rather than a show of hands. Proxy form votes are therefore included in the results.
- Proxies submitted by the deadline of 12:00 on 13 October are included.
- For purposes of calculating the percentages of votes cast, abstentions are excluded as they are a member's way of expressing that they do not wish to vote.
