If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn by or on behalf of those who demanded it, the meeting shall continue as if the demand had not been made. The result of the poll will be treated as the resolution of the meeting at which the poll was demanded. No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days notice shall be given specifying the time and place at which the poll is to be taken.

c. When a meeting is adjourned for fourteen days or more, at least seven clear days notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise no notice need be given of an adjournment or of the business to be transacted at an adjourned meeting.

If this procedure is not followed the appointment of the proxy will be invalid.

53. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered. The Secretary is to communicate every such notice to all Society Board members as soon as possible and the meeting is to be held at a venue decided by the Secretary not earlier than seven days and not later than fourteen days after the receipt by the Secretary of the notice. 72. Save for the exceptions referred to below, no Society Board member is to have any material financial interest personally or as a member of a firm or company or as a director or other officer

of a business trading for profit or in any other way whatsoever in any contract or other transaction with the Society. For the purposes of this rule, an interest of a person who is connected with a Society Board member shall be treated as an interest of the Society Board member. Working groups may make recommendations to the Society Board, provide the Society Board with information, and carry out such operations as are delegated to them on behalf of the Society Board.
75. a. The Society Board will approve the Chair of each working group, normally a member of the Society Board. Where there is no member of the Society Board able to act as Chair the Chair may be any member of the Society who is deemed capable by the Society Board of acting as Chair under their supervision. The Society Board shall decide and approve and produce a public, written record of the scope of each working group. The Society Board shall delegate to the Chair appropriate budgets for each working group where deemed necessary.
- b. Working groups may hold such meetings as they consider are necessary to carry out their business. The Chair of each working group shall be responsible for ensuring that minutes are taken at each meeting and will submit these to the Society Board. If the Chair of a working group is not present at a meeting the group will elect another member to chair that meeting, and must record this in the minutes. If available, the Chair of the meeting should be elected from amongst any Society Board members present at that meeting.

Schedule 1 – Restricted Actions

1 Preamble

a. The Societyⁱ was created by Wimbledon fans as a means of exercising as much control and ownership of their football club as possible, which is now expressed through ownership of AFC Wimbledon. Actions that threaten that status of ownership and similar major decisions are classified as Restricted under Rule 22b and listed in section 2 of this Schedule.

b. They can only be approved by the members of the Society, and can only be undertaken if they are approved subject to the provisions laid down below.

c. Actions have been graded according to the thresholds required to approve them. They indicate both the outcomes of actions in addition to specific actions that could be taken. A restricted action is not just a rigidly defined act, but one which results in a certain outcome occurring. These apply to actions of the Society, but as the Society Board is the controlling interest of the club and its subsidiaries, they also apply to all actions by the Society or its subsidiaries which result in the same outcomes or which have the same effect, and the Society Board is responsible for ensuring that proper scrutiny is applied to its subsidiaries to fulfil this requirement.

2 Restricted Actions

Borrowing against the security of the leases at Kingsmeadow	D
Revoking this Schedule	A
Amending this schedule, other than as outlined in sections 6-8	B
Amending this schedule, other than as outlined in sections 6-8, in which the Society Board believe is likely to have the effect of making it easier to achieve an action currently listed in this section	A

3 Non-Restricted actions

a. For the purposes of this Schedule, investigating opportunities to undertake Restricted Actions are not Restricted Actions in themselves provided that:

i. such investigations do not commit the Society or its subsidiaries to undertake Restricted Actions

ii. the Society Board takes reasonable steps to ensure that relevant 3rd parties are aware of the requirement for member approval of Restricted Actions and members are made aware of the investigations as soon as practicable;

4 Status designation majorities and thresholds:

a. For each class of restricted action, the following procedures and majorities must be achieved:

A	First meeting as Category B, followed by a confirmatory meeting within one month to confirm the identical proposal. At the second meeting, the proposal must be approved by two-thirds of those present in person or by proxy at the meeting, and the meeting being attended in person or by proxy by at least 50% of members eligible to vote
B	i) at least 50% of total eligible membership cast a vote on the resolution; ii) at least 75% of the votes so cast are cast in favour of the resolution; iii) the number of votes so cast in favour of the resolution represent at least 40% of the total eligible membership.
C	A vote by at least 75% of members present in person or by proxy at a general meeting on a resolution, which must also specify the risks of such a resolution resulting in Restricted Actions becoming more likely as a result of the action being approved
D	A vote by two-thirds of the members present in person or by proxy at a general meeting on a resolution
E	A vote by the Society Board which at their discretion may be referred to the membership

b. All references to meeting in this section shall include the use of postal votes to determine outcomes, save that any such vote must be preceded by a properly convened meeting to provide members with the opportunity to discuss the matter.

5 Certification of Restricted Actions

a. Each resolution to be placed before the members should be certified by the Secretary that it is a Restricted Action or not, and if it is, which status category it falls into and so what majority is required to approve it. The Secretary shall take the necessary advice in order to form this judgement.

b. If a member feels that the classification of an issue is incorrect, they shall write to the Secretary within 5 days of the agenda being circulated stating why they believe it is an incorrect assessment. The Secretary shall ask for a definitive ruling from the Chief Executive of Supporters Direct whose decision shall be final within the terms of these rules.

6 Additions to Restricted Actions

a. At an SGM called by the Society Board and held before the 2008 Annual General Meeting, the Society Board will bring forward a second set of actions to be added by members, which may be added to Section 2 of this schedule by a simple majority of members voting in person or by proxy at that meeting.

b. Thereafter that decision has been taken, an action shall be added to Section 2 of this Schedule by a vote of members classified as a Restricted Action under Category B status.

7 Reclassification of Status

a. Reclassification of status means either changing the status designation of an item in Section 4 from one category to a different category, or removal from the list of Restricted Actions in Section 4.

b. An item's status can only be reclassified after a vote equivalent to approving a resolution authorising that Action. A proposal to reclassify an 'A' status item as 'B' status requires a vote equivalent to an A status item. A proposal to change a 'B' Status item to an 'A' Status item requires a vote equivalent to a B status item, and so on.

8 Rescinding this Schedule

a. This Schedule once approved can only be removed by a vote classified as an A status restricted Action.

Amending this Schedule

a. All amendments (other than reclassification of the status designation of an Action, or adding an Action, which are detailed above) shall be considered 'B' status items.

b. The exception shall be that if the Society Board or the Secretary believe that a change is being proposed that in effect will make a current Restricted Action easier to achieve, they may classify it as an 'A' Status item.

c. No amendment shall become effective until registered with the FCA.

It is possible for section 2 of Schedule 1 to be added to by members at the next SGM of the Society by a majority of members voting by person and by proxy at that meeting. Thereafter, any amendment to Schedule 1 shall be in accordance with the provisions laid down within it.
