WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Report of the Board For the Year Ended 30 June 2019

The Board of Wimbledon Football Club Supporters' Society Limited ("the Society") present their report and the financial statements for the year ended 30 June 2019.

Board responsibilities statement

The Board are responsible for preparing the Report of the Board and the financial statements in accordance with applicable law and regulations.

The Co-operative and Community Benefit Societies Act 2014 requires the Board to prepare financial statements for each financial year. Under that law the Board have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Board must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Society and of the profit or loss of the Society for that period. In preparing these financial statements, the Board are required to:

- select suitable accounting policies for the Society financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures and disclosures explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Society will continue in business.

The Board are responsible for keeping adequate accounting records that are sufficient to show and explain the Society's transactions and disclose with reasonable accuracy at any time the financial position of the Society and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014. They are also responsible for safeguarding the assets of the Society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activity

The principal objectives of the Society are to strengthen the bond between AFC Wimbledon and the community and to represent the interests of the community in the running of AFC Wimbledon.

Results and performance

The profit for the year for the Society, after taxation, amounted to £44,225 (2018: £41,669). Year on year financial performance was broadly flat.

Future developments

The Board does not anticipate any change in the principal activity of the Society.

In January 2020, the Society launched the "Plough Lane Bond", the purpose of which is to provide onward funding to AFCW PLC to assist it in the development of a new stadium for AFC Wimbledon at Plough Lane. Pledges of approximately £5.4 million have been received to date, of which over £5 million has since been collected in cash. See note 18 for further information.

In March 2020, the spread of Covid-19 resulted in the suspension of all football activity in the United Kingdom which will impact on the financial position of the Society, including its ability to generate certain revenues. The Society currently has net assets and net current assets, including free cash reserves sufficient to enable it to settle its current non-loan related liabilities and ongoing running costs over the next twelve months, regardless of whether additional revenues are generated. However, in order to be able to settle all Dons Trust Bonds that are capable of being redeemed in the next twelve months, the Society is reliant on being able to recover the loan monies that were onward lent to AFCW PLC. In the current environment, with no football currently being played and the revenues of the group headed by AFCW PLC being significantly impacted as a result, it is not possible to determine with any certainty whether AFCW PLC will be in a position to make such a loan repayment to the Society if requested. On this basis there is considered to be a material uncertainty which may cast significant doubt over the Society's ability to continue as a going concern. See note 2.2 for further information.

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Report of the Board (continued)
For the Year Ended 30 June 2019

Board members and their interests

The Board members who served the Society during the year together with their interests in the shares of the Society were as follows:

	Ordinary shares of £1 each	
	At 30 June 2019	At 30 June 2018 (or date of appointment if later)
R Crane (elected 20/12/2018)	1	-
M Breach (resigned 20/12/2018)	-	1
M Davis	1	1
C Dipple	1	1
R Evans	1	1
N Higgs (resigned 20/12/2018)	-	1
T Hillyer (resigned 20/12/2018)	-	1
C van der Hoeven	1	1
A Kingsley (elected 20/12/2018)	1	-
H Kitcher (elected 20/12/2018)	1	-
E Leek (co-opted 24/4/19)	1	-
J Lonsdale	1	1
L Mackenzie (elected 20/12/2018)	1	-
S McLaughlin (resigned 20/12/2018)	-	1
C Williams (resigned 20/12/2018)	-	1

M Breach, N Higgs, T Hillyer, S McLaughlin and C Williams resigned with effect from the date of the Annual General Meeting on 20 December 2018 at which the results of the election were announced and R Crane, A Kingsley, H Kitcher and L Mackenzie were appointed to serve a term of two years. At the Board Meeting on 24 April 2019, E Leek was co-opted to serve for the period until the 2019 AGM.

Disclosure of information to auditors

Each of the persons who are Board members at the time when this Report of the Board is approved has confirmed that:

- so far as that Board member is aware, there is no relevant audit information of which the Society's auditor is unaware, and
- that Board member has taken all the steps that ought to have been taken as a Board member in order to be aware of any relevant audit information and to establish that the Society's auditor is aware of that information.

Auditor

BDO LLP have indicated their willingness to continue in office as auditor and in accordance with the provisions of the Co-operative and Community Benefit Societies Act 2014 it is proposed that they be re-appointed.

On behalf of the Board

M Davis - Chairman
15 April 2020

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Independent Auditors' Report to the Members of WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Opinion

We have audited the financial statements of Wimbledon Football Club Supporters Society Limited ("the Society") for the year ended 30 June 2019, which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Society's affairs as at 30 June 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Communities Benefit Societies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw your attention to note 2.2 which states that the Board have considered the potential impact of Covid-19 on the Society's ability to satisfy its current liabilities over the next twelve months. It is not considered possible at this stage for them to determine with any certainty whether sufficient current receivables could be collected to enable the settlement of certain liabilities if called for payment. This risk of default is considered to represent a material uncertainty which may cast significant doubt over the Society's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

The Board is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Independent Auditors' Report to the Members of Wimbledon Football Club Supporters' Society Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where we are required by the Co-operative and Community Benefit Societies Act 2014 to report to you if, in our opinion:

- the information given in the Report of the Board for the financial year for which the financial statements are prepared is not consistent with the financial statements; or
- adequate accounting records have not been kept by the Society; or
- a satisfactory system of control has not been maintained over transactions; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Board

As explained more fully in the Board responsibilities statement, the Board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Society or to cease operations, or have no realistic alternative but to do so.

Auditors responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of the Society, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Society's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Society and the Society's members as a body, for our audit work, for this report, or for the opinions we have formed.

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Notes to the Financial Statements For the Year Ended 30 June 2019

1 General information

Wimbledon Football Club Supporters' Society Limited is a Registered Society under The Co-operative and Community Benefit Societies Act 2014. The address of the registered office is given on the Society Information page.

2 Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Co-operative and Community Benefit Societies Act 2014.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Society's accounting policies (see note 3).

Items included in the financial statements are measured using the currency of the primary economic environment in which the Society operates ("the financial currency") being Sterling.

The Society has taken advantage of the exemption afforded by FRS 102 not to prepare a statement of cashflows on account of being a small company.

The following principal accounting policies have been applied:

2.2 Going concern

At 31 December 2019, the Society's balance sheet showed a net asset position, with significant net current assets available (including £81,117 of cash). The Society reported a profit for the year then ended and was forecasting further profits to be generated in the forthcoming financial year. Subsequent to the balance sheet date, the spread of Covid-19 has resulted in the suspension of all football activity in the United Kingdom which will impact on the financial position of the Society, including its ability to generate certain revenues.

The financial statements have been prepared on a going concern basis which assumes that the Society will continue in operational existence for twelve months from the date of approval of the financial statements.

The Society current has sufficient free cash reserves to enable it to settle its current non-loan related liabilities and ongoing running costs as they arise over this period, regardless of whether additional revenues are generated. The Society's other liabilities comprise the new Plough Land Bond (see note 18) and the Dons Trust Bonds (see note 14). The funds received from the issuance of the Plough Lane Bond are still held by the Society and, once deployed, have an earliest repayment date that is some five years out. The Dons Trust Bonds outstanding at the balance sheet date amounted to £469,339, of which £309,002 was technically repayable within one year. These monies were onward lent to AFCW PLC on the same terms and therefore there is a corresponding receivable for the same amount.

Historically, the holders of the vast majority of the Dons Trust Bonds have not exercised their right to redemption on maturity and have instead agreed for them to be carried forward on a rolling basis. This is evidenced by the fact that only £3,911 of Dons Trust Bonds were redeemed during the current financial year, despite £121,578 originally being capable for redemption in that year. However, in the current environment there can be no guarantees that this trend will continue and therefore more redemptions may be sought in the next twelve months.

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Notes to the Financial Statements (Continued) For the Year Ended 30 June 2019

2 Accounting policies (continued)

2.2 Going concern (continued)

In normal circumstances, on receipt of a redemption request, the Society would call for and receive an equal loan repayment from AFCW PLC such that the cash impact on the Society would be neutral. In the current environment, with no football currently being played and the revenues of the group headed by AFCW PLC being significantly impacted as a result, it is not possible to determine with any certainty whether AFCW PLC will be in a position to make the loan repayment to the Society when requested. In the event that it could not, the Society would need to finance redemptions out of its own cash resources which, depending on the level of redemption requests received, may not be sufficient to satisfy all of the liabilities due.

Ultimately, the Board considers that on the balance of probabilities, the Society should have sufficient cash flows to enable it to satisfy those liabilities that do crystallise in the next twelve months. As such, they continue to adopt the going concern basis of accounting in preparing the annual financial statements of the Society. However, the aforementioned events or conditions indicate that a material uncertainty exists which may cast significant doubt on the Society's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the Society were unable to continue as a going concern.

2.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Society and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

2.4 Investments

Investments recognised as fixed assets are carried at cost, less provision for any impairment in value.

2.5 Financial instruments

The Society only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Short term financial instruments are measured at the transaction price.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the Company would receive for the asset if it were to be sold at the reporting date.

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

Notes to the Financial Statements (Continued) For the Year Ended 30 June 2019

2 Accounting policies (continued)

2.5 Financial instruments (continued)

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position if there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.6 Finance costs

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.7 Taxation

The Society is not treated as liable to tax other than on investment income as it is a qualifying non profit making body, the business of which is conducted for the benefit of the community and not for the profit of its members.

No provision for deferred taxation is required as the Society's treatment for corporation tax purposes will not give rise to any deferred taxation liability in the foreseeable future.

3 Judgements in applying accounting policies and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The most critical estimates, assumptions and judgements relate to the determination of carrying value of unlisted investments at cost less provision for impairment. In determining this amount, the entity applies the overriding concept that fair value is the amount for which an asset can be exchanged between knowledgeable willing parties in an arm's length transaction. The nature, facts and circumstance of the investment drives the impairment review methodology.

4 Turnover

Turnover represents monies received in respect of memberships, fund raising, donations and other income.

All turnover arose within the United Kingdom.

5 Operating profit

During the year, no Board member received any emoluments (2018 - £NIL).

Fees payable to the Society's auditor for the audit of the Society's annual financial statements were borne by AFC Wimbledon Limited, a subsidiary of the Society, in both the current and prior year.

6 Employees

The Society has no employees other than the Board members (2018 - None).

10 Investments (continued)

The Board consider that the preparation of group accounts is inappropriate as the businesses of the Society and its subsidiaries are so different that they cannot reasonably be treated as a single undertaking. In addition, the Board consider that it would be confusing and misleading and would not add to the understanding of the accounts by the members. The Board's position on this matter has been previously approved by the Financial Conduct Authority ("FCA"), in accordance with the Friendly and Industrial and Provident Societies Act 1968. There has been no change in circumstances or the Board's position since this approval was given and accordingly group accounts have not been produced in accordance with the exemptions set out in the successor legislation in Section 99 of the Co-operative and Community Benefits Societies Act 2014.

The latest results and capital and reserves of these undertakings were as follows:

WIMBLEDON FOOTBALL CLUB SUPPORTERS' SOCIETY LIMITED

**Notes to the Financial Statements (Continued)
For the Year Ended 30 June 2019**

17 Transactions with Board members

In relation to the Dons Trust Bond, as included in other loans, the following Board member has subscribed for bonds:

M Davis has subscribed for bonds to the value of £2,000 (2018 - £2,000) and on which interest of £1,116 (2018 - £1,025) has been accrued, of which £91 (2018 - £88) accrued in the current year. These bonds are not repayable any earlier than June 2020.

18 Post balance sheet events

Subsequent to the year end date, the Society has issued the "Plough Lane Bond". Bonds are available on 5,10 and 20-year terms with the bond holder choosing their interest rate from 0% - 4% per annum. Pledges of approximately £5.4 million have been received to date, of which over £5 million has since been collected in cash. The purpose of the Plough Lane Bond is to provide onward funding to AFCW Plc to assist it in the development of a new stadium for AFC Wimbledon at Plough Lane.
