Resolution Title: Adoption of Disciplinary Policy

Background and Purpose

The Constitution Working Group (CWG) has been meeting throughout 2025 to review the existing Constitution and produce a new document, alongside supporting policies. This review has included transferring items from the current Constitution to supporting policies.

The first two policies as an outcome of this review are the Disciplinary Policy and the Resolutions Policy. These are policies that the Dons Trust needs now and can complement the existing Constitution. At the November 2025 SGM, the membership was presented with, and discussed, draft proposals for these policies. Feedback was received on both policies and the CWG met after the SGM to discuss changes. The revised Disciplinary Policy covered by this motion is the proposed Policy for the Dons Trust to adopt.

Tracked changes versions of the policies from the draft proposal to the final proposal are available on request.

Resolution Detail

The revised Disciplinary Policy is supported by both the Dons Trust Board and the CWG following the meeting of the CWG on 24th November 2025. The resolution is to vote to adopt the Policy. If passed, the Policy will be effective immediately.
